

Community Participation Policy (Community Radio Codes of Practice Code 2.1)

Purpose

The purpose of this policy is to ensure that Fraser Coast Community Radio Inc identifies people in our community who are not adequately served by other media and encourages and assists them to participate in providing our service.

Policy

1. Fraser Coast Community Radio Inc is the holder of a General Licence. The station will provide services to the full community for the Local Area of Hervey Bay.
2. The demographics of the community of interest will be taken into consideration in the management, operations and services of the station.
3. We will define “diversity” and apply its meaning in the providing our service.
4. Community interest groups within the Local Area will be identified and encouraged to participate in providing our service.
5. We will identify people in the community who are not adequately served by other media and will encourage and assist them to participate in providing our service.
6. We will document evidence of our efforts to encourage participation.
